OUR VISION The Somaliland University of Technology will be a national leader in the advancement of the knowledge base through research and scholarship. Moreover, the University will be a national leader in preparing professionals who provide leadership and exemplary educational and related services to improve the lives of individuals in a changing and complex global economy. **OUR Mission**We provide high-quality education and training that meet the evolving social and economic development needs of Somaliland and enabling our students to succeed in achieving their individual career and life goals. The University strives to provide an affordable and unparalleled learning experience in a supportive and caring environment, and reach out all the population of Somaliland in order to alleviate poverty.
